

L. STEPHEN LAU WATER RESEARCH ENDOWED SCHOLARSHIP

Application Deadline: April 18, 2008 for Fall 2008 Award

The scholarship was established with funds endowed to the University of Hawai'i at Mānoa by Dr. L. Stephen Lau and Mrs. Virginia May Lau of Honolulu. Dr. Lau is Emeritus Professor of Civil Engineering at the University of Hawai'i at Mānoa College of Engineering and was, from 1971 to 1990, director of the UH Water Resources Research Center.

The purpose of the scholarship is to further knowledge of Hawai'i's natural waters by providing financial assistance that may be used for anything related to costs of attendance or research.

For 2008, the amount of the award will be up to \$1500.

ELIGIBILITY CRITERIA

- Part- or full-time UH Mānoa student;
- Upper division undergraduate or
- Graduate student;
- Any discipline related to water resources at the University of Hawai'i at Mānoa.

SELECTION CRITERIA

- Minimum GPA of 3.2 for undergraduates or 3.5 for graduates.
- An essay or a research proposal on any aspect of Hawai'i natural waters and how the applicant's research or area of study is related to it.

How to Apply for Scholarships

An application form may be downloaded from www.wrrc.hawaii.edu. Applicants must submit the application form, an essay or research proposal, and evidence of eligibility for the scholarship, to the Director, Water Resources Research Center, University of Hawai'i at Mānoa, 2540 Dole Street, Holmes Hall 283, Honolulu, HI 96822. Deadline for receipt of applications is April 18, 2008.
